

Voyager/Endeavor

This series starts with Voyager levels 1 and 2 then moves into Endeavor for levels 3-8. Best for ESL students who have some phonic skills and want to build or improve reading/writing skills for everyday purposes. A great series for students needing to improve skills and not planning on GED or higher ed.

- Student's experience, knowledge and opinions are an integral part of the learning process
- Strong emphasis on strategic learning
- Balanced instruction
 - contemporary approaches and traditional instruction
 - balance of skills and meaning
 - balance of direct and indirect instruction in skills, strategies, and processes
 - balance of literature and informational readings
 - reading, writing, thinking, listening, and speaking integrated in each lesson
- **Good for students who like or need:**
 - To construct meaning when reading and writing
 - To apply what they learn to their own lives
 - To read contemporary literature and informational readings
 - To interact with the book and the teacher
 - Discussion questions as well as answering multiple choice questions
 - To improve writing skills
- Teacher facilitated with strong learner involvement
- Students generate words in all levels
- Skills preview in each book
- Student Progress Tracking Sheet
- Unit and end-of-book reviews
